INSTRUCTIONS: Use this sheet to record your measurements, then enter them into the order form at our website. A measuring tape made of cloth is essential. Round off fractions to nearest 8th inch. Do not measure yourself. Inaccurate measurements produce poor fitting clothes.

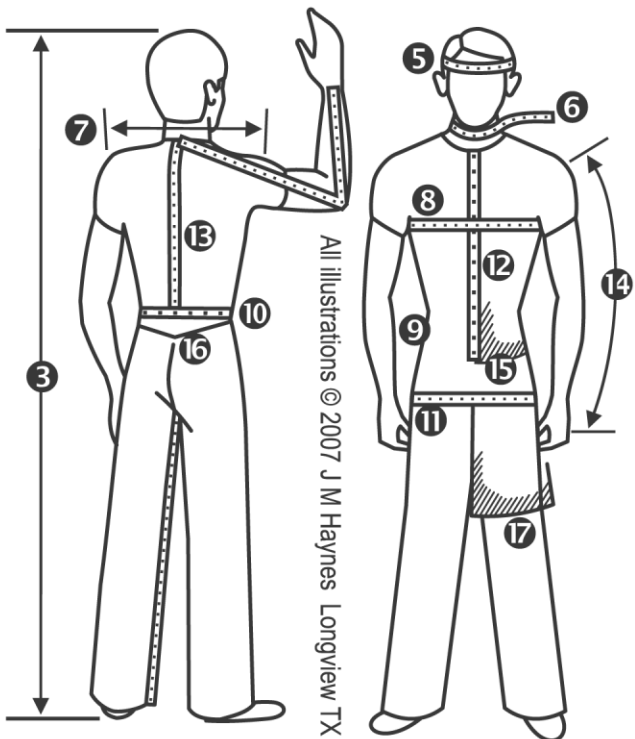

POSTURE

SHOULDERS

MEASUREMENTS

1. _____ **POSTURE:** see chart at left; match your shape
 2. _____ **SHOULDERS:** see chart at left; match your shape
 3. _____ **HEIGHT:** taken standing against a wall --without shoes
 4. _____ **WEIGHT:** (very important)
 5. _____ **HEAD CIRCUMFERENCE:** measure around the top of the head--about one inch above the ears
 6. _____ **NECK:** measure neck at the Adam's apple
 7. _____ **TOP OF SHOULDERS:** measure total width of shoulders across the top spinal bone
 8. _____ **CHEST:** take a deep breath - measure around the fullest part of the chest, over the nipples
 9. _____ **LARGEST STOMACH CIRCUMFERENCE:** measure around the largest part of the stomach
 10. _____ **NATURAL WAIST:** measure waist about one inch below the belly button
 11. _____ **HIPS:** measure around the fullest part of the seat, not your hipbones
 12. _____ **FRONT WAIST LENGTH:** measure from where your collar bones meet to one inch below your belly button
 13. _____ **BACK WAIST LENGTH:** measure from the small bone at the top of your spine to your waistline in back
 14. _____ **COAT SLEEVE:** measure from the top of the arm at the shoulder to 1" before the first set of hand knuckles
- If you do not desire a standard length, fill in the following:**
15. _____ *For Shell Jacket*--FINISHED FRONT LENGTH: measure from where collar bones meet to the jacket bottom edge
 16. _____ *For Shell Jacket*--FINISHED BACK LENGTH: measure from the small bone at the top of your spine to the jacket bottom edge
 17. _____ *For Frock Coat*---FINISHED FRONT LENGTH: measure the desired total length in front, from where collar bones meet to the coat bottom edge--about 2/3 from hips to knee
